Allowance

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 03 November 2006 has been entered.

2. The drawings have been approved by the examiner.

3. The restriction requirement is withdrawn and the method claims rejoined with the article claims in view of the method claims having all of the limitations of the allowed article claims.

4. The following is an examiner's statement of reasons for allowance: the limitations of the average minimum difference between peaks of said irregularities being from 14.7 to 200 microns, and the irregularities constituting mutual

translational symmetry in combination with the other limitations of independent claim 1 define over the cited art. In particular the examiner notes that the spacing of irregularities in both Clapham et al. and Maffitt et al. is less than the wavelength of the light to be absorbed and not the same order of magnitude as in instant claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to William P. Watkins III whose telephone number is 571-272-1503. The examiner works an increased flex time schedule, but can normally be reached Monday through Friday, 11:30 A.M. through 8:00 P.M. Eastern Time. The examiner returns all calls within one business day unless an extended absence is noted on his voice mail greeting.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Harold Pyon can be reached on 571-272-1498. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
